

Insurance

G7 InfoTech brings Deep Expertise in all the stages of the
Insurance Life Cycle

About the Domain / Service Technology

G7 InfoTech brings deep expertise in all the stages of the insurance life cycle and covers every single aspect of policy management including New Business, Underwriting, Renewals, Policy servicing and Claims Management. We bring you success by understanding and addressing your pain areas to make the existing process more productive.

We, provide an end-to-end solution starting from application login till issuance of the policy. Our vast domain experience will guide you with the entire business process including, Discrepancy, CFR etc.

Our solutions and services are aimed at deploying new software, re-engineering existing applications and also to bring down the TAT involved in the process of policy issuance.

Services

- ❖ New Business
- ❖ Underwriting
- ❖ Renewals
- ❖ Claims Management
- ❖ Policy Servicing

Our Differentiations:

- ❖ Customer-centric approach
- ❖ Phased implementation of modules
- ❖ Proven rapid integration with legacy applications
